## Dear Friend of our Community,

United Zion Retirement Community continues to be a light on the hill caring and supporting our residents and their families in the heart of Lititz since 1904!

All United Zion residents enjoy high-quality services, whether or not their care needs have outpaced their ability to pay. Your gift to benevolent care assists individuals who have worked hard in their lifetime to provide for their family and community but who now need financial support.

Together, we aspire to be a vibrant, innovative, affordable retirement community where each individual may flourish. Remarkably over 40% of our cherished residents benefit from some sort of assistance through our benevolent care support. You and your gift matters as every contribution, no matter the size, has a profound impact in helping our mission where residents can thrive by focusing on independence, dignity, and physical, emotional, and spiritual wellness.

We cordially invite you to consider supporting the work of United Zion Retirement Community and the residents we serve. We are seeking sponsors and donations for the 2025 Car Cruise fundraiser. All proceeds will go to the Benevolent Care fund. These funds help reduce the \$2 million cost in unreimbursed care we provide annually to our residents who can no longer fully provide for themselves. This fun-filled event will be held at Manheim BIC Church, 54 N Penryn Road, Manheim, PA on Saturday, June 21 from 11 AM – 3 PM.

Your generosity and commitment you demonstrate through your support are the lifeblood of our mission. Without the solidarity and active participation of community members like you, our capacity to serve would be significantly diminished.

**Thank you for being an integral part of this journey!**
